12. January Intent Survey

12.1. It is really helpful to know how many of our campers from 2023/2024 want to come back in 2025; a survey will go out soon. We'll also have a form right away for people who want to register interest so we don't lose track of anyone, but remember that new turtles need to participate and get sponsored, and can only be accepted on a space-available basis.
